### BCDC Elite Team Auditions and Information Sessions

Open to dancers ages 4 and above

The Brittany Cody Dance Company Competition Team is for those students who are totally dedicated to putting in the extra rehearsal time and training necessary to compete at regional and national competitions. Students must also demonstrate proper behaviors, work ethic and sportsmanship inside and outside of dance. Due to the intensity of the program, students must audition for a spot on the team **every** year. All students ages **four and up are eligible & must have a minimum of a year of dance experience at BCDC (unless approved by our studio director)**. Students will be judged on their ability to learn quickly, technique, attitudes throughout the past dance season, projection, and performance ability. We are not looking for perfection, but for those we feel have the capacity, attitude and stamina to compete.

#### Parent Information Sessions:

A parent/guardian is REQUIRED to attend one of these meetings. Dancers will not be allowed to audition without a parent or guardian attending. This includes previous team members as well. The BCDC Staff will go over all the details and answer any questions you may have at this time. There is no cost to attend an information session.
